Oklahoma Municipal League Hosts District Dinner Meeting in Krebs

(November 7, 2017) – The Oklahoma Municipal League will host a District Dinner Meeting in the City of Krebs at Pete’s Place this Thursday. According to the League, we have more than 70 elected officials and municipal professionals signed up to attend the annual event.

The District Dinner Meetings are an opportunity for municipal officials to connect with other municipalities in the district and hear about the upcoming 2018 legislative session as well as the latest League happenings. Attendees will have an opportunity to hear from the new Oklahoma Municipal League Executive Director Mike Fina and discuss municipal issues happening around the state.

Fina said, “District meetings are an important tool for the OML team to reach out to Oklahoma communities. I am excited that during my first year as director we are increasing the number of these events to cover more areas of the state. Because we are a statewide organization it is critical that we visit as many municipalities as possible every year.”

For more information on how to register for the District Dinner meeting, or to request a meeting to be in your community, please contact Sarah Lingenfelter at 405-528-7515 or sarah@oml.org.
