Join us to discuss up to the minute developments on pending legislation that will affect local government. This is an ideal opportunity to learn about the legislative process and how to advocate for OML's Priority Issues.

Visit with Your Legislators

Contact your House and Senate members in advance to schedule meetings to discuss issues concerning your community and OML's Legislative Priorities. To contact your legislators, visit www.oklegislature.gov.

Invite the Next Generation

Where are your community leaders for tomorrow? Now is the time to mentor our young people about municipal issues and why it's important for them to be actively involved with their community. Invite one or two middle school or high school students to attend the Municipal Government Day at the Capitol with you. Tours of the Capitol will be available for the students. Students attend free of charge.

"If I Were Mayor" Essay Contest

The top three winners of the "If I Were Mayor" essay contest are invited to attend the Municipal Government Day at the Capitol to read their essays and receive their awards.

Why Should You Attend?

It is vital that municipal officials assist in the process of informing our legislative representatives about municipal issues. When ***you*** speak, they listen!
