# We're invested in Oklahoma.

No matter where you are in Oklahoma, you're probably not far from a Garver project. We're committed to the infrastructure of this state through a variety of major projects. We design the water treatment plants that process the water you drink. We design the airport runway lighting that guides you home. We design the roads you travel to work. And we're right there beside you. Because we don't just work here – we live here.

# Environmental MANAGEMENT

## Awarded State Contract **SW092** for Emergency Response and Waste Removal Services

### Other Services

#### Include:

- Training
- UST Removal
- Labpacks
- Routine pickup and disposal
- Tank and truck cleanout
- Remediation
- Disaster Clean-Up
- Product Distribution Program

This contract is available to all state, county, and city governments. Take a look at our special State of Oklahoma Contract page on our website for more information!

From emergency response to disposal of chemical waste, Environmental Management can handle all your environmental needs.

Having successfully managed thousands of incidents involving hazardous and non-hazardous materials during more than 25 years of operation, Environmental Management (an Oklahoma company) is capable of handling an incident from assessment to final remediation.

**24 Hour Response**

**J&R EQUIPMENT**  
ENVIRONMENTAL SALES • SERVICE • PARTS

## The “House of Service” Since 1937.

For over 70 years, people have trusted their equipment investment with us. While truck and environmental equipment has changed dramatically throughout the years, one thing has remained the same. Our high level of service and customer satisfaction is paramount to our success. At J&R Equipment, we offer a variety of industrial services at both locations:

- Equipment and Parts Sales
- Installation
- Maintenance
- Field Service
- Factory Certified Techs
- Fleet Service

Call us and tell us how we can help. Our parts and service managers have a proven record of successful project completion and customer satisfaction.

**The TSET Healthy Incentive Program for Communities is designed to help communities adopt and implement best practices for:**

- Tobacco-free environments
- Access to healthy and nutritious foods
- Physical activity opportunities

in an effort to reduce risk factors for heart disease, strokes, and cancer and improve health and quality of life for residents.

Visit our website for more information: **[TSET.OK.GOV](https://www.tset.ok.gov)**

## COMMITMENT TO OUR COMMUNITIES

Every day, people across the state depend on Oklahoma Natural Gas for clean-burning, reliable and efficient energy.

We deliver the natural gas to warm your home or business, cook your food and heat your water. We also support education, culture and arts, and health and human services initiatives throughout Oklahoma. It's all part of our ongoing commitment to make our communities better places to live.

For more information, visit [OklahomaNaturalGas.com](https://www.oklahomanaturalgas.com).
